## Unleash the Power of Glass

Glass is an intriguing substance. Despite being in use for thousands of years, we continue to learn more about them.

We find numerous more uses for each new property as we uncover it.

For the past 25 years, Art N Glass has been on its own amazing adventure of investigating glass and revealing its potential for use in both inside and outside spaces.

# C O N T E N T

**01**

**HIGHLY SLIM RANGE** Glass that is shatterproof and as thin as 3 mm to 12 mm is available for an ultramodern aesthetic.

**02**

**UNMATCHED FINISHES** are available on a variety of transparent, translucent, and opaque glass varieties, for example fluted, reeded, etc.

**03**

**ENDLESS APPLICATIONS** available for usage in furniture, kitchen shutters, splashbacks, wardrobes, door and partition systems, and wall cladding

**04**

**IMPECCABLE QUALITY** Our pledge and commitment to consumers is to provide them with uncompromised quality, skilled workmanship, and full personalization.
